Project Information

Project or Program Category _____
Project Title: _____
Date(s) Presented: _____ Completed: _____ Ongoing: _____

Include the following information in a description of your project or program:

- One Paragraph Synopsis of Project
- Purpose or goal
- Outcome
- Evaluation process
- Provisions made for disabilities
- Describe, when relevant, scholarships to alleviate costs, transportation considerations, unique locations

Project Involvement

- Number of members involved?
- Is number of participants adaptable? What adaptations would be needed to vary the number?
- In what capacities were members involved?
- Include a list of all rabbis, temple groups, community organizations, etc. involved in the project/program and the nature of their involvement.

Supporting Materials

- Lesson plans
- Material lists
- Fliers, photos, handouts
- Publicity
- Additional information that would enhance or explain your entry

Poster Board

- All submissions will be available for viewing throughout Convention in “science fair” style. Program highlights should be presented on a Tri-Fold Display Board (open 22” X 14”, closed 11” X 14”). (FYI Elmer’s Mini Corrugated Tri-Fold Board is available on Amazon.com as #730109 for \$4.46.)
