Workshops—Three workshop sessions to learn a new skill, try the high ropes course or climbing tower, discuss topics with fellow WRJ sisters.

Play Games—bring your favorite board games, a deck of cards, Mahj set & card. With so many people around, you're sure to find someone to play with or learn a new game.

Go on a Hike—Camp Kalsman is situated on over 300 acres. There are marked trails, at different levels of difficulty around the property to suit all abilities.

Sleep Late or Get up Early—turn off your alarm clock this weekend. You only have yourself to worry about and camp life is easy. All meals are provided.

TRAVEL

If you will be travelling to the retreat via airplane, we are working on several options to help create carpools, car rental sharing or pickups by local attendees. Please plan to arrive at SeaTac airport by 1 PM on Friday and depart after 4 PM on Sunday. If you will be flying, please plan to wear a mask in the airport and on the airplane.

Camp is about an hour and a half drive from the airport—depending on traffic. Later in the evening on Friday, it will be longer.

We are offering a linen package—with a fitted sheet, flat sheet, pillow, blanket and towel. This is an additional fee but convenient for those that will need to consolidate

COVID POLICY

Everyone who attends must be COVID vaccinated AND boosted. Please submit a copy of your vaccination card when registering.

We ask that everyone is especially careful in the days leading up to the event—to keep Covid-free. Please plan to bring 4 home tests with you. You will need to test on arrival and each morning (Sat, Sun and Monday). Free tests are available through the Federal Government and states at no charge. Be aware that if you do test positive over the weekend you will need to leave camp.

Masks will be optional but highly recommended except in sleeping quarters or when eating or drinking.
